Journal Publishing Agreement

Dear Author

We need your written permission before we can publish your accepted article in Journal of Genetics and Genomics. Please provide us with the following information, review our policies and the publishing agreement, and indicate your acceptance of the terms. Please complete this form and immediately fax a copy to +86-10-6480-7786, then send the ORIGINAL to us at the following address: Journal of Genetics and Genomics, Institute of Genetics and Developmental Biology, Chinese Academy of Sciences, Datun Road, Chaoyang District, Beijing, 100101, China.

Your article will not be published unless a Journal Publishing Agreement has been signed and received by the editorial office of Journal of Genetics and Genomics.

Details (please complete)

Article entitled:

Manuscript No. (if known)

Corresponding author:

Names of all authors in the order in which they appear in the article:

YOUR STATUS

☐ I am the sole author of the manuscript
☐ I am one author signing on behalf of all co-authors of the manuscript
☐ The article is a ‘work made for hire’ and I am signing as an authorized representative of my employer

PUBLISHING AGREEMENT (PLEASE READ CAREFULLY)

Assignment of publishing rights

I hereby assign to the Genetics Society of China and Institute of Genetics and Developmental Biology, Chinese Academy of Sciences the copyright in the manuscript identified above (government authors not electing to transfer agree to assign a non-exclusive licence) and any supplemental tables, illustrations or other information submitted therewith that are intended for publication as part of or as a supplement to the manuscript (the “Article”) in all forms and media (whether now known or hereafter developed), throughout the world, in all languages, for the full term of copyright, effective when and if the article is accepted for publication. This transfer includes the right to provide the Article in electronic and online forms and systems.

Retention of Rights for Scholarly Purposes

I understand that I retain or am hereby granted (without the need to obtain further permission) rights to use certain
versions of the Article for certain scholarly purposes, as described and defined below ("Retained Rights"), and that no rights in patents, trademarks or other intellectual property rights are transferred to the journal.

The Retained Rights include the right to use the Pre-print or Accepted Authors Manuscript for Personal Use, Internal Institutional Use and for Scholarly Posting; and the Published Journal Article for Personal Use and Internal Institutional Use.

Author Warranties/Ethics and Disclosure
I affirm the Author Warranties noted below, and confirm that I have reviewed and complied with the relevant Instructions to Authors, the Ethics in Publishing policy, and Conflicts of Interest disclosure.

Author warranties
• The article I have submitted to the journal for review is original, has been written by the stated authors and has not been published elsewhere. All Authors have received the final version of the submitted manuscript and have agreed to its submission.
• The article is not currently being considered for publication by any other journal and will not be submitted for such review while under review by this journal.
• The article contains no libellous or other unlawful statements and does not contain any materials that violate any personal or proprietary rights of any other person or entity.
• I have obtained written permission from copyright owners for any excerpts from copyrighted works that are included and have credited the sources in my article.
• I agree to be responsible for the payment of all appropriate and relevant publication charges associated with the production of the above named article. I understand no additional authors’ remuneration will be returned after counterbalancing partly with the publication charges. Publication charges that are based upon the total number of pages published in print format. All publication and reprint charges are due upon receipt of invoice, which will be billed to corresponding author before proofreading.
• If the article was prepared jointly with other authors, I have informed the co-author(s) of the terms of this publishing agreement and that I am signing on their behalf as their agent, and I am authorized to do so.

Funding agency requirements and other policies
I have also been made aware of the journal’s policies with respect to funding agency requirements such as the NIH ‘PublicAccess’ policy, and the rapid publication ‘ArticlesInPress’ service. See elsevier.com for details.

SIGNATURE
Please sign and date the document in black ink.
